MEMORANDUM FOR:

SB/RR

SUBJECT

JULIN TO THE TOTAL V. V. SHCHERBYTSKYY

SOURCE

A Western traveller from a Polish citizen who studied in the Ukraine

during 1965-1966

1. During conversations with Soviet students in the Ukraine, the source was told that SHCHERBYTSKYY was opposed to the arrest and persecution of young Ukrainian intellectuals taking place at that time. had intervened with Soviet authorities on behalf of the Ukrainian intellectuals and particularly on behalf of the "Shestydesiatnyky" (writers of the 60's group). As a result, he was removed from his post. There was no official announcement made, and he was reinstated after a period of about two months. However, his position was still somewhat precarious and it would surprise nobody, according to the students, if he students, if he found himself in trouble again. While KORNEYCHUK and other Ukrainian party-liners officially criticized the young writers, the absence of any critical comments by SHCHERBYTSKYY was further proof of his support of the writers. It was being said that his defense of the young writers would not be forgotten by the authorities.

2. SHCHERBYTSKYY was said to be in agreement with (and a distant relative of) Pavlo A. ZAHREBEL'NYY, who has continually supported the "Shestydesiatnyky" and who has intervened on their behalf. ZAHREBEL'NYY, born 25 August 1924 in Poltava Obl., is a Soviet Ukrainian writer who in 1945 was a member of the Soviet Military Mission in West Germany. He presently is on the staff of Literaturna Ukraina. He is secretary of the Union of Writers of the Ukraine since 1965, and a member of the CPSU.

- 3. SHCHERBYTSKYY, according to Ukrainian students in Kiev, was demoted in the early 1960's because he expressed disagreement with the Party split and with Khrushchev's "corn growing" policy.
